FACE-TO-FACE EXHIBITION & SPONSORSHIP PACK

The Leading Conference for Mathematics Teachers

ORGANISED BY

**Complete
Mathematics**

The Conference

The Complete Mathematics conference, better known as #MathsConf, are Saturday conferences full of professional development workshops and networking for teachers of mathematics from all phases.

Our Maths conferences run each term in England, as well as an annual conference in Scotland.

Who attends?

Since the first conference in 2014, we have welcomed over 3000 delegates through the doors, the vast majority of whom are currently middle leaders in schools – the perfect people to make the most of your products and services.

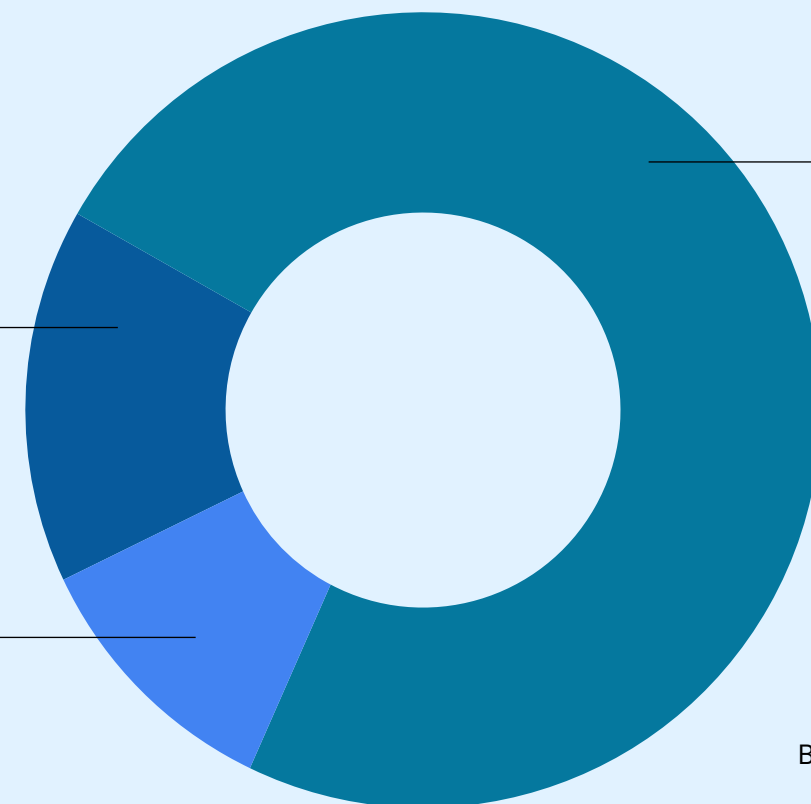

On average we have a total of 350 attendees each conference, with around **three quarters being decision makers** (attendees with job titles including: Head of Maths, Numeracy Coordinator, etc.)

Based on #MathsConfs stats

The Exhibition

Central Space

The exhibition area is in the centre of the venue, with catering nearby to ensure that delegates are never far away

Contact Time

160 minutes of breaks are scheduled throughout the day, so you have plenty of time to speak to delegates

The Treasure Hunt

To draw even more delegates to your stand, every exhibitor is given a maths problem – delegates must find and solve each maths problem to be entered in to a prize draw

Speed Dating

You are welcome to join the 'speed dating' session at the start of the day, giving you the opportunity to share your product or services with a variety of delegates in 90 second slots

Exhibition Packages

A breakdown of what each sponsorship package offers you and the cost

1 Conference

3+ Conference

- Booklet (A4 or smaller)
- Single Sheet (A4 or smaller)

Booking an exhibitor package?

Enjoy a 15% discount on any of these sponsorship options
(Sponsorship and exhibition must be for the same event)

Sponsorship Benefits

If you are looking to play a larger role in the Education industry, sponsoring MathsConf is a great way to place your organisation at the forefront of delegates' minds.

- **Personal Contact**

Put a face to your brand – the best way to create and maintain relationships with your target audience.

- **Buzz**

Launch a new product, service or marketing campaign – with the undivided attention of your target audience, there's no better way to make a splash!

- **Sales**

Promote new services or demonstrate new products and equipment.

- **Presence**

Show your commitment to the industry – support the community that supports your business.

- **Marketing**

Social media will be used to create excitement around the event and speakers. Twitter, Facebook and Instagram will feature heavily in the social media campaign. The hashtag #MathsConfXX trends very highly before, during and after the conference.
